On behalf of the Havre de Grace Arts Collective we welcome you to the inaugural Havre de Grace Jazz & Blues Fest featuring the talents of internationally renowned artists and rising stars. We hope you will take the time to enjoy everything this charming town on the Susquehanna River has to offer: museums, unique shopping, delicious restaurants and of course great music—all within walking distance! In 2014 Smithsonian Magazine voted Havre de Grace one of the 20 Best Small Towns to Visit.

Without the untiring participation and support of our Committee members, volunteers, sponsors and Community Partners, this great festival would not have been possible. We thank them and the City of Havre de Grace for helping make this special event a reality!
